

Student's Duty to Arrange for 1953 Deferment

Dean of Men Stanley Benz said Wednesday that it is the student's responsibility to arrange a second or third deferment from military service.

Maj. Gen. Lewis B. Hershey, director of Selective Service, announced this week that students who have been deferred until the end of the present academic year must request a new deferment for 1952-1953 year. The announcement clearly differentiated between the I-S and II-S deferments. General Hershey pointed out that the 1951 amendments to the selective service act provided that any student pursuing a fulltime course must be deferred in class I-S until the end

of his academic year if he has never been deferred as a student.

In addition to the statutory deferment, a class II-S deferment has been prescribed by the president. Boards are not required to defer men who meet the qualifications prescribed by this method. "However, general policy is that students meeting the requirements will be deferred," the announcement said.

Dean Benz commented that the armed forces would rather have men who have completed their college training than to take men with an academic background who have not finished.

"No student need feel that he is

shirking his patriotic duty if he stays in college and maintains a high average," he said. "What it amounts to, is that one must do the best academic work of which he is capable. The better a student's grades are, the better his chances for a deferment."

Benz compared a student who now has a deferment to a tenant holding a lease on a dwelling. Before the lease runs out, the tenant must arrange to have it renewed or he faces eviction.

The I-S deferment is a "one-shot" proposition designed to allow those students who are not eligible for a II-S deferment, and who have never before received a student deferment or postponement,

to complete their current academic year, the announcement said. This enables high school seniors to enroll in college without fear of being removed before the end of the academic year. A student who is entitled to a statutory I-S deferment must be ordered for induction. General Hershey pointed out, before he can be deferred by his local board.

Criteria prescribed for the deferment of men under the II-S method are a score of 70 or better on the Selective Service College Qualification test and maintenance of grade averages which put them in prescribed upper portions of the 12 classes; one-half for freshmen, two-thirds for

sophomores, and three-fourths for juniors and seniors.

"Whether a man is classified I-S or II-S, it is a deferment classification and not a postponement of induction," the announcement stressed. If a student is not deferred for an additional year, he has the right to enlist in the service of his choice. General Hershey revealed "This right continues until he is ordered to report for induction. Any student desiring to enlist in the service of his choice during January will have the opportunity, and it appears probable that those students completing their academic year in June, 1952, will also have ample opportunity to enlist in the service of their choice."

State College, JC May Split; 1954 Deadline

Separate School Set-up Not Likely

By WALT ROESSING

If the State Board of Education forces a separation between San Jose junior college and the state college in the future, a separate two-year institution possibly may not be set up in the county. Dr. Earle P. Crandall, superintendent of the schools in the Unified School District, said yesterday in a Spartan Daily interview.

The State Department of Finance recently ruled that no contract will be approved between the two existing colleges on this campus after July 1, 1954.

Dr. Crandall stated that if it is found "we cannot continue the arrangement, we will not set up a competitive or duplicate institution."

He said that if "we operate a separate junior college, we would have to have some assurance from

The possible separation of the junior college will be discussed on the Institute of Industrial Relations transcribed radio program Sunday at 10:30 a.m. over station KEEN. President T. W. MacQuarrie will be among the speakers.

the state that there would not be fluctuating entrance requirements," at Sparta. "There would be a disadvantage in competition as one college would supplement the other."

He believes, however, that the 1954 date is by no means a final ultimatum.

"If we'll pay the additional rent to the state, there is a possibility that we might stay on after 1954," he commented.

The San Jose Unified School District will have to pay the state \$100 per student after July 1, 1952.

On the other hand the school district board may fight future separation, he related.

The Strayer report of 1948, which is now an act of the legislature, is responsible for the suggestion of the two-college split.

"The Board has already expressed its opposition to the Strayer report, but since the order was an act of the legislature, the board has no possibility of fighting anyone until the next meeting of the legislature," Dr. Crandall said.

"How to get the legislature to rescind an act that is supported pretty generally throughout the state by the junior college association is our problem," he commented.

No decision has been made by the board on how a protest can be carried on, he related.

He stated, "obviously the most economical arrangement has been the contractual arrangement that exists now between the two institutions and has existed since 1921."

Football Opinions Draw Interest

Because of campus interest in the current football dilemma, the Spartan Daily is running, on page 2, further comments gathered in a poll made Wednesday. Not all of the opinions given during the poll will be published because of space limitations. However, further viewpoints may be addressed to the "Thrust and Parry" column.

Men's Faculty Club To Meet for First Open House Today

A local "Gossip Mart," "Rejuvenated Manor," and "Kaffee Klatsch" is making its initial appearance today when the newly organized Men's Faculty club will throw wide the doors in its first Open House at 230 S. Eighth street from 2:30 to 5 p.m.

Dr. Donald H. Alden, associate professor of English, is president of the club, which was formed at the beginning of the current year to provide a place where the men of the faculty could gather for sociability and fellowship.

Refreshments will include coffee, cookies and cakes, and are being made by the wives of the faculty members. Dr. Glenn Reed, assistant professor of English, is chairman of the committee in charge.

The open house announcements, designed by Dr. Richard Tansey, assistant professor of art, comments "As the New Yorker would say in 'Letters We Never Finish Reading,' 'This won't cost you anything, or doesn't that make any difference?'"

"This is strictly a social gathering to allow the men to see the new club house," stated Dr. Allen. "It is now more or less fixed up as men donated furniture and pictures and curtains are being hung."

Council Discusses Football Outlook

Glenn S. Hartranft, head of the Men's Physical Education department, brought the perplexing problems of the college football program before the President's Council meeting yesterday in President T. W. MacQuarrie's office.

The college's nursing education program also was discussed by the council, according to Dr. MacQuarrie.

Cadets Earn Promotions, Commissions

Lt. Col. Howard E. Brown, professor of air science and tactics, yesterday announced the promotion of 26 Air Force ROTC Cadet officers and the commissioning of 20 other Air Force ROTC men as second lieutenants. The promotions and commissions are effective immediately.

H. H. Rupard was promoted to Colonel. R. H. Jordan, J. R. MacDonald and R. H. Berquist were promoted to Lt. Colonel.

Promoted to Major were L. Spolyar, W. Raflofski, E. W. Smitherum, W. Hehir, T. Chambers, and J. E. Allen.

Promoted to Captain were R. Steffen, D. H. Freeborn, D. G. Olson, R. D. Custer, E. Carranza, and J. R. Francis.

Promoted to First Lieutenant were W. R. Dresser, J. Brunton, H. F. Adams, R. K. Ford, J. Johnson, D. E. Newhall, G. O. Melcher, D. Dye, F. E. Schriener and H. L. Holyfield.

Receiving commissions as second lieutenants were D. Glaze, F. Grayson, G. Bill, W. D. Morse, R. V. Hill, L. E. Wheeler, J. Lindsey, D. G. Filler, D. L. Curry, J. C. Cassidy, J. M. Vilez, F. Woodman, P. B. Smith, R. V. Dean, D. E. Mehrtens, R. W. Shouse, D. C. Ferguson, A. H. Robbins, J. Medeiros and G. DeNapoli.

AMS Approves Award Policy

Meeting in the Student Union late yesterday afternoon, the Steering committee of the AMS voted to accept the proposed "Athlete of the Month" plan, according to Cal Pitts, publicity chairman.

Under the newly adopted program, the outstanding college athlete each month will be recommended by coaches and chosen by a board of judges. Chairman of the board is Jess Aguilar, AMS president.

A perpetual plaque will be awarded to the outstanding athlete of each month in addition to a merchandise order from various San Jose merchants who will rotate as honorary members of the board.

Factors in judging the outstanding athletes will be cooperation, sportsmanship and scholarship, according to Aguilar.

The steering committee also made plans for AMS participation in the proposed campus blood drive.

PLAY TICKETS ON SALE MONDAY

Ticket sales start Monday for the drama "Morn to Midnight," scheduled for presentation Jan. 17-19, according to Mrs. Virginia O. Vogel of the Speech department.

Tickets will be sold at the Speech office, Room 57, for 30 cents each.

S'no Foolin'--Let's Go Skiing

GETTING A MORNING START for the high snowy hills are John Bishop, in car, Holly Hedge, at front, Ginny Cox and Jim Magee. Members of this foursome, along with 200 other seniors and Ski club members, depart today for Donner summit where they will spend a week-end in the snow.

VA Announces GI Insurance To Pay Bonus

Checks Begin In March

WASHINGTON—(UP)—GI life insurance policy holders will start getting checks in March from the \$200,000,000 dividend which the Veterans Administration plans to distribute this year.

The VA announced yesterday it will pay the dividend to all policy holders who kept their insurance in force for at least three months between 1951-52 anniversary dates of the policies.

The new payment is the first of regular dividends which the agency hopes to pay annually. Two earlier payments were special dividends covering periods of eight and three years.

The VA said eligible policy holders who want the dividend in cash must request it in writing. Otherwise, the agency is required by law to keep the money on deposit and use it to pay any premium which the policy holder fails to pay.

A special form is being sent to policy holders to be used for cash payment requests, but any written notice will do if it contains the policy holder's full name, address and insurance numbers, the agency said.

In announcing the dividend, the VA did not state the largest amount an individual will receive, but it is expected to run around \$60.

Workers Complete Chapel Roofing Job

Roof sheeting on the college's new Memorial chapel was concluded yesterday, according to Foreman Fred Zeissler. Roofing men now may begin papering and putting in heating installations preparatory to tiling.

Pedestrian Killed

William H. Pelton, 83, was killed instantly Wednesday night when struck by a car driven by George D. Boyle, 26-year-old SJS student, of 190 Hillview avenue, Los Altos. No charges have been filed against Boyle.

Pelton, who lived at 735 S. Tenth street, was hit while crossing the intersection at S. Tenth and Margaret streets. Pelton was not in a crosswalk when the accident occurred, according to San Jose Traffic Officer Fred Hoffman.

Today's Weather

A drawn, defeated Albert P. Garbunkle trudged into the office today. He looked like a rat that had been dragged through a manhole. "My prediction of yesterday that there would be absolutely no weather was an outrage to humanity," he told us sobbingly. "My instruments show that approximately seven gallons of weather fell on Washington Square yesterday," he confessed.

For today he prognosticated: Scattered showers.

A Means to An End

Retrenchment and progress are two extremes, but such is Sparta's present plight in football.

Consensus of campus opinion favors following a major grid schedule and at the same time continuing athletic scholarships to deserving players. The two considerations would seem to work hand in hand, since ample athletic scholarships are necessary to attract football players for a major team. But college officials must cut down on the number and amount of football scholarships if we are to continue in the major league direction. And it is apparent that students, faculty and alumni want the college to go ahead in football, if possible.

San Jose State isn't in football to make money, being a state-financed institution with training individuals for the teaching field and providing recreation the key objectives in football. But the college, in order to better its status in football, cannot afford to lose money on the game. If filling the present schedule with major opponents proves financially impractical, then we will have to adjust our sights and compete on a financially feasible level.

Spartan officials lined up the strongest schedule in SJS history last year but lost heavily in the win-loss column and consequently at the gate. Game receipts, the chief source of athletic scholarships, fell an estimated \$20,000 below expectations.

This setback, coupled with the loss of two good paying rivals, Loyola and USF, has placed the college at the crossroads.

Reducing athletic scholarships has to be undertaken. There just isn't enough money to meet this big item of football living. Meanwhile, the athletic department will attempt to provide jobs and assistance for the players.

Staying major league is a gamble, but the majority of students, faculty and alumni appear to be in favor of it.

Opinions Vary On Grid Slate

Theron Fox, class of '33, former president of the Alumni association and former sports editor of the Mercury, said about the football picture:

"Athletes today have gotten into a habit of mind that makes them think that everything has to be given to them. Some pay their way 100 per cent because they love to play football. You have to love the game. If you do, you won't want pay for playing it."

"SJS can get just as much out of beating a small team, with a team that isn't paid, as they can trying to beat a big team with a hired team. The school has done well in adjusting itself to the amount of money available, as a major schedule is very hard to get from a financial point of view."

George Spadafore, junior, a business major:

"As long as we've gained a big-time status as far as opponents

are concerned, I feel we should keep playing a major schedule."

"I feel that the Spar-ten and other organizations connected with the school should help find part-time jobs for players in the off-season."

Orbin Jones, post graduate in

social science:

"I'd be willing to pay 25 cents along with my ASB card to watch a good team out here."

"I wouldn't like to see the school revert to the schedule of smaller schools."

HUGHES COOPERATIVE PLAN for MASTER of SCIENCE DEGREES

PURPOSE

To assist outstanding BS graduates in obtaining their Master of Science Degrees while employed in industry and making a significant contribution to important military work.

ELIGIBILITY

June 1952 graduates receiving BS Degrees in the following fields:

- Electrical Engineering
- Electronic Engineering
- Physics
- Mechanical Engineering
- Aeronautical Engineering

Those chosen to participate in this plan will be from the upper portion of their graduating classes or will have evidenced unusual technical ability. They must also have evidenced imaginative ability and possess personality traits enabling them to work well with others.

CITIZENSHIP

Applicants must be United States citizens who can be cleared for "Secret," due to their work at Hughes Research and Development Laboratories being of a classified nature.

PARTICIPATING UNIVERSITIES

The University of California at Los Angeles and the University of Southern California will participate in this program, and candidates for Master of Science Degrees must meet entrance requirements for advanced study at these schools.

PROGRAM

Under this Cooperative Plan, starting June 1952, the following schedule of employment at Hughes is arranged:

- Full time—from June 1952 to Sept. 1952
- Half time—from Sept. 1952 to June 1953
- Full time—from June 1953 to Sept. 1953
- Half time—from Sept. 1953 to June 1954

Under this arrangement it is possible for a recipient to receive 3/8th of a normal year's salary each year and to attend

a university half time during regular sessions working on his Master's Degree.

SALARIES

Salaries will be commensurate with the individual's ability and experience and reflect the average in the electronics industry. Salary growth will be on the same basis as full-time members of the engineering staff. In addition, the individuals will be eligible for health, accident, and life insurance benefits, as well as other benefits accruing to full-time members.

TRAVEL AND MOVING EXPENSES

For those residing outside of the Southern California area, actual travel and moving expenses will be allowed up to 10% of the full starting annual salary.

TUITION

Tuition at either UCLA or USC, covering the required number of units necessary to obtain a Master's Degree, will be paid by Hughes Research and Development Laboratories.

NUMBER OF AWARDS

Approximately one hundred Cooperative Awards shall be made each year, if sufficient qualified candidates present themselves.

SELECTION OF CANDIDATES

Candidates will be selected by a committee of representation composed of two each from the University of California at Los Angeles, the University of Southern California, and the Hughes Research and Development Laboratories.

DATES FOR APPLYING

Informal applications should be mailed prior to January 30, 1952. The Laboratories will then forward formal applications, which should be returned, accompanied by up-to-date grade transcripts, by February 15, 1952. Selections will be made during the month of March.

Grid Scholarship Solution?

A possible answer to our grid scholarship problem:

Why not have each sorority team with a fraternity to sponsor a player or two. Even if we're only able to pay all the tuitions, this possible solution, multiplied by the number of players, would go a long way in easing the football budget.

Lewis Campbell,
 ASB Card No. 2099.

MORE GRID QUOTES

Jack Cassidy, junior recreation major: "Why quit now? We are just at the point where we are about to profit from a subsidization program. Last year we lost to Stanford, USF, Idaho, etc., but next year we will be in a position where we can lick all of them. We will have many returning lettermen upon which to mold a winning team."

Harriet Eliever, sophomore merchandising major: "By all means, find some way to keep the aid going to the athletes. If we lose the athletes, we lose the games, and that mustn't happen. We should put on some form of entertainment, if necessary, to raise the funds to support these events."

Seniors Urged to File Placement Applications

Dr. Vernon A. Ouellette, placement director, yesterday urged all seniors who will graduate in March or June to sign an application for employment in his office.

"Even if you have a job waiting for you, sign up. I have figures that show that most graduates change employers within the first two years of work and need a recommendation to get their next job," Dr. Ouellette said.

He said that there are two letters on his desk right now from different businesses requesting information about former students.

One of these students did not fill out an application and has nothing on file here; consequently he may not get the job.

The other student's application is in the files and Dr. Ouellette can give him a recommendation that may get him hired.

"Some students think that they can always come back to school and get a recommendation. Then they find that their favorite teacher has transferred, their department head has died—and no one remembers them. Once a recommendation is put on file, it is never forgotten," he said.

If students apply now, they may be able to obtain jobs after graduation with any of several large corporations listed in the Placement office.

Radio Guild Begins Dramatime Series

"The Last Word" will be heard at 6:30 p.m. Sunday over radio station KEEN when the college Radio Guild presents "Dramatime," according to Dr. Edgar E. Willis, faculty adviser.

First program of the quarter of the "Dramatime" series, "The Last Word" is under the direction of Fred Adair. The cast will include Richard Rizzo, Jeri Welch, Al Robertson, Gloria Wells, Margaret Nakamura and Jerry Morrison. Sound for the production will be handled by Gene Chavoya.

The half hour drama is the sixth program in the "Dramatime" series for the college year, Dr. Willis added.

Women's Week Starts Feb. 11

Bernie Rapley was named chairman of "Women's Week," an all-girl activity week to be held Feb. 11-15, at the regular meeting of AWS, Wednesday night, according to Ingrid Andersson, acting president.

Highlighting the week of festivities will be the traditional girlask-boy dance, "Heart's Delight," to be held Friday night, Feb. 15, at the Scottish Rite temple.

"It was decided at the meeting that the price of the dance will be \$1, and that corsages for the girls will not be required," Miss Andersson said.

Committees for the dance are Carol Larson, general chairman; Pat Engerud and Rae Dean, decorations; Maggie Murphy, refreshments; Joyce Malone, bids; Edith Perazzo, publicity; Beth Calvin, patrons; Barbara Hobbins and Jeanne Murphy, gifts; Gerri Herzog, Lee Leidig and Enid Harte, orchestra.

Plans also are being made for the March Melodies, a competitive songfest in which all the women's organizations participate.

UP ROUNDUP

Treaty Ratification Asked by Truman

Washington—President Truman sent the Japanese Peace Treaty to the Senate yesterday with a request for its early ratification.

He also sent to the Senate the nomination of Admiral Raymond A. Spruance, retired hero of the Pacific war, to be ambassador to the Philippines.

Allies Attack At Night
Eighth Army Headquarters, Korea—Allied raiding parties lashed out at the Communists under cover of darkness yesterday on both ends of the snow-covered Korean front, but ran into stiff resistance.

Baseball Stars Called to Duty
San Francisco — The Marine Corps announced yesterday that Jerry Coleman, star infielder of the New York Yankees, and Lloyd Merriman, outfielder for the Cincinnati Reds, would be called to active duty on May 2.

Formosa Gets U. S. Arms
Tapeh, Formosa—A large shipment of United States military aid supplies, including 105 millimeter cannons, arrived in Formosa yesterday.

An official announcement said the shipment was one of many that would arrive here.

SPARTAN DAILY 3

College Show Returns to Air

Featuring a recorded interview with Glenn S. "Tiny" Hartranft, men's physical education director, on the issue of football at the college, Spartan Review returns to the air tomorrow.

The weekly program begins its first broadcast of the year at 11:30 a.m. Saturday, over station KLOK, according to Pete Fay.

A student project, Spartan Review is written, produced and acted by Merle Rossman, Ellen Healey, Hugh Heller, Nick Andrews and Fay.

In addition to the Hartranft interview, the half-hour show will include song stylings by vocalist Heller and a trio composed of Jerry Saxon, Mae Martin and Ron Wren; comic satires of various radio programs, sponsors and personalities; last minute sports news and scores; and news of the campus.

Religious Week To Be Discussed

Plans for Religious Emphasis week will be told at a college religious council meeting to be held in the Student Y Sunday at 2 p.m.

Students Len Cross and Anne Dench will give an outlined report on the plans and progress-to-date.

Hillbilly Holiday Is Soph Dance Theme

Bids for the "Hillbilly Holiday," a dance to be sponsored by the sophomore class on Jan. 18, at Hillsdale, now are on sale for \$1.25. The bids are in the form of corncob pipes.

Hillsdale, according to Dave Doerr, treasurer of the sophomore class, is a barn-like structure on south Monterey highway, which was picked in order to carry out the theme of the dance.

Dick Penrose and his five piece combo will furnish music at the event.

"This is the big event of the quarter for sophomores," said John Aitken, class president; "therefore, we want to get the entire class to attend the dance to make it an entertaining occasion."

Recent Weddings Unite Three Spartan Couples

Curtis-Cooper

The San Lorenzo Community church was the scene of the recent marriage of Velma Curtis and Gary Cooper.

Mrs. Dwight Hill and Miss Winnie Curtis, sisters of the bride, took the roles of matron of honor and bridesmaid. Jim Olds and Charles Casey, senior police majors, served as best man and usher for the bridegroom.

Velma is the daughter of Mr. and Mrs. Wesley Curtis of Hayward. She now is employed at the Hayward telephone company.

Gary is the son of Mr. and Mrs. Sherman Cooper of Via Segundo. He is a senior police major.

Reynolds-Strain

Nancy Jane Reynolds became the bride of Richard Strain in a formal ceremony held in the Biggs Community church on Dec. 27.

Miss Patricia Ferretti, senior educational major, was maid of honor for the bride and Hal Messimer, junior merchandising major, acted as best man. Robert Golden, senior conservation major, performed the duties of usher.

The new Mrs. Strain, daughter

of Mr. and Mrs. Lewis E. Reynolds of Biggs, attended College of Pacific before coming to San Jose State, where she is a senior educational major. She was crowned "Belle of Archania" by Alpha Kappa Phi fraternity at COP in 1949 and also was one of the attendants of Miss Stockton in the same year.

Strain, son of Mr. and Mrs. Gordon Strain of Los Altos, is a senior education major on campus, and is affiliated with Pi Kappa Alpha fraternity.

Gale-McLean

Miss Joanne Gale became the bride of Ray McLean Sunday, Dec. 30, when the couple exchanged marriage vows at the Stone Presbyterian church in Willow Glen.

Mary Mosier, senior secretarial major on the Spartan campus, was maid of honor for the bride, and Bob Chappelle, police major, served as best man for the bridegroom.

Joanne is the daughter of Mr. and Mrs. R. H. Gale of Mountain View. She attended San Jose State college from 1950 to 1951, and majored in business administration.

Ray is the son of Mr. and Mrs. O. E. McLean of Berkeley, and is a junior police major. He is affiliated with Chi Pi Sigma fraternity, and is a member of Silver Saber society.

Couple Reveal Wedding Plans

The engagement of Beverly Clift to Larry Otter was announced in Napa over the Christmas holidays.

The daughter of Mr. and Mrs. I. F. Clift of Napa, Beverly was graduated from Napa J.C. where she was a secretarial major.

Larry is the son of the Rev. and Mrs. James D. Otter of Crannell. He is a junior police major, and is affiliated with Chi Pi Sigma fraternity.

Greeks Stage 1920's Dance

A "Roaring Twenties" party will be held by Theta Chi fraternity tomorrow night in honor of the 13 Spartan coeds vying for the title of Dream Girl of 1952.

The fraternity chapter house will be transformed into a speak-easy for the occasion, complete with secret passageways, and pass words characteristic of the Prohibition era. Members and their dates will come attired in costumes reminiscent of the flapper period of the 1920's.

The Dixie Half Dozen, campus dixieland band, will provide the evening's musical entertainment. Ron Ruiz, social chairman, is in charge of the dance and Larry Elam is handling the publicity.

The costume dance is the second social function honoring the candidates for Theta Chi Dream Girl. A dinner-dance held at Shadowbrook Lodge in December was the first in a series of parties which will culminate with the coronation of the Dream Girl at a formal dance to be held Feb. 1.

Contestants for the beauty title are Barbara Hackett, Sally Ervin, Jackie Avery, Jean Welke, Jody Bartlett, Barbara Soldavini, Eleanor Johnston, Alice Hays, Marty Darrow, Dolores Bearden, Janice Brockman, Lenny Crist, and Bebe Liesegang.

New Officers Head Sigma Pi

Lou Gregory, junior language major, was elected president of Sigma Pi fraternity recently to succeed Bob Allen, who headed the fraternity for two quarters and was graduated in December.

Dick Booth won a close vote over Bill Richardson and Jack Payne for the vice presidency. Payne will take over as treasurer, replacing Dick Smith. Dick Cunningham will assume the office of secretary, formerly held by Ted Springston.

Other new officers are Jim Magee, sergeant-at-arms; Bill Tunnell, herald, and Dick Degnon, publicity chairman. Bill Richardson and John Bishop were re-elected as member-at-large and senior representative on the Interfraternity Council respectively.

The fraternity's executive council will appoint a pledge master and junior representative to the IFC at the Feb. 4 meeting.

Kappa Taus Greet Fall Pledge Class

Kappa Taus fraternity recently held initiation ceremonies for 12 members of the fall pledge class. Following initiation, a banquet was held at the El Morocco restaurant in honor of the new members.

The initiates include Russ Utley, Len Teshera, Tom Jost, John Sereda, Don Hibner, Roy Hodges, Don Ayers, Anthony Russo, Len Marks, Lou Tersini, Marv Schmidt, and Ray Larson. Herbert C. Frame is pledge master, and Pat Reding is assistant pledge master.

Fellowship Filers Must Take Exam

All students who have filed applications for the National Science Foundation pre-doctoral graduate fellowships are required to take a Fellowship Record examination Jan. 18, according to Dr. Benjamin F. Naylor, college Chemistry department head.

Couples Reveal Betrothals During Christmas Vacation

Capo-Da Pont

Jeryl Deane Capo, sophomore art major, announced her engagement to Dick Da Pont, former San Jose State student, during the Christmas vacation.

The bride-elect is the daughter of Mr. and Mrs. F. G. Capo of 1711 N. Brighton street, Los Angeles.

Da Pont is the son of Mr. and Mrs. F. H. Da Pont of 197 N. Central street, Campbell.

The couple will be married in Los Angeles sometime in August.

Sigma Pi Rushes

Sigma Pi fraternity will hold a rushing party at the house Wednesday night, with Tom Miller, rushing chairman, in charge of the program.

Sports movies will be shown, followed by refreshments and a card party.

Smith-Williams

The engagement of Greta Smith and Art Williams was announced during the holidays at a Christmas party held at the bride elect's home in San Francisco.

The daughter of Mr. and Mrs. Harold W. Smith of San Francisco, Greta is a graduate student here working for a certificate in occupational therapy. Before coming to San Jose State, she was graduated from San Francisco State college with a degree in art, and was affiliated with Kappa Theta service sorority.

Art is the son of Mr. and Mrs. Leslie P. Williams of San Francisco. He was graduated from the University of California where he majored in engineering, and is now employed at a research and development corporation in Livermore.

No definite wedding plans have been made.

Downey-Jones

Warren Jones, Lambda Chi Alpha, passed out cigars to his fraternity brothers Monday night to announce his engagement to Barbara Downey.

Barbara is the daughter of Mr. and Mrs. Gordon B. Downey of Monterey. She was graduated from San Jose State college in June, 1951, and is now teaching the third grade at Union school in Campbell.

Warren, the son of Mrs. Alma Jones of Oakland, is a junior police major here. He also is a member of Chi Pi Sigma police fraternity and Silver Saber society.

No definite plans have been made for the wedding.

Students Get Aid

More than 800 students of the University of the Philippines were aided during the last quarter in whole or partially by the university in the payment of school fees.

"PUBLIC MORALITY IS YOUR BUSINESS!"

We live in a racket society, a cut-rate culture, a mediocre pattern of life.

The character of the atmosphere in which you live can be changed, but only by you.

McPhersonmen Face Valley Cousins

Raiders Attempt to Snap Loss Streak Against COP

By TOM BURCH

In an attempt to get back into the win column after having dropped their last two games to St. Mary's, the Spartans will host the COP Tigers Saturday night in the Men's gym at 8:15 o'clock.

Thus far this season the Tigers have compiled a record of two wins while losing six. Both teams have had two common opponents. Each team won over Fresno State college's Bulldogs and lost to the fast-moving St. Mary's five.

Rod Dietrick, ace center, is the big gun for the Tigers. The 6-5 center scored 334 points as a first-year man for COP in 1951. Thus far this season Dietrick has been hitting consistently, compiling a 12-point average against independent teams.

To get added height, Coach Chris Kjeldsen will use lettermen Bud Watkins 6-3, and Ed Kahn and George Moscone, both six-footers. Gone from the COP ranks are Bill Wirt and Howard Pearce, the two lanky stars of '51.

The Spartans will take to the court with a record of seven and two, losing only to the Gaels.

SJS probably will go to the post with the usual five. George Clark, Spartan center, continued to score heavily this week by totaling two points against St. Mary's Wednesday night.

Guards Jack Avina and Mort Schorr are staging a battle for first string berth on the Spartan five. Both boys play the same style of ball and both possess lots of speed. The question is which one can provide the scoring punch.

Coach Walt McPherson is of the opinion that the Tigers will use the same type of offense they used in the past, which is more or less a "free lance" type of ball with a fast break.

San Jose goes into the game with a slight advantage in height and should control the boards.

Coach Bob Wuesthoff's Spartababes take on Hartnell junior college in the preliminary game starting at 6:30 p.m.

The Spartababes have won eight while losing only one this season, the loss being to the McCune Citrus five of San Jose.

Sitting out of the jayvee game with St. Mary's was Dick Brady, one of the team's leading scorers. He sprained an ankle in an earlier game.

Weather Prevents Football Playoff

Winner of the Intramural football league as yet has not been determined since rains came yesterday just in time to prevent the Pi Kappa Alpha and Delta Upsilon play-off.

The teams have been waiting since Dec. 14 to play the game but the turf just won't remain dry long enough.

Winner of the long postponed game will be declared "King" of Intramural football and will receive a large perpetual trophy. In addition to the trophy members of the winning team will receive T-shirts inscribed with "San Jose State."

The game will be played as soon as the weather permits, intramural Director Bill Perry said.

Swim Pool Open

Recreational swimming for men will be available in the pool of the Men's gym from 11:30 a.m. to 1:30 p.m., beginning today, according to Miss Doris Barbarez, secretary of the Men's Physical Education department.

Mural Casaba Leagues Open Monday Night

Games between Pi Kappa Alpha-Alfa Tau Omega and Theta Chi-Delta Sigma Gamma will pry the lid off the 1952 intramural basketball season Monday night at 6:30 p.m. in the Men's gym.

Bill Perry, who is in charge of the intramural program at SJS, has split the program into two leagues, fraternity and independent. The fraternity league consists of 12 teams: PKA, ATO, DSG, TC, KA, TX, SN, PSK, LCA, SAE, SP, and DSP.

The independent loop will consist of 14 teams, and they will be Racketeers, Grizzlies, Hamburgers, Oakland AA, Triffids, Hot Shots, Kappa Tau, DU, Sigma Sigma, Tijuana AC, Slow Pokes, Collegians, Fickle Fingers, Spartan Oriocci Club, and the Jets.

All games will be played in the evenings, commencing at 6:30, 7:30 and 8:30 o'clock, and on varsity game nights the teams will play in the afternoons. On those days the games will get under way at 3:30 and 4:30 p.m.

All games, according to Perry, will be played under NCAA rules and officials will be chosen from the Physical Education department.

Monday night's opener at 6:30 o'clock will find a highly touted Pi Kappa Alpha five tackling Alpha Tau Omega on the north court. The south floor will feature Delta Sigma Gamma and Theta Chi squaring off at the same time. In the second contests of the night, Sigma Nu will meet Phi Sigma Kappa and Lambda Chi Alpha will tangle with Sigma Alpha Epsilon in the other tilt.

At 8:30 p.m. in Independent league play, the Racketeers will encounter the Grizzlies and the Oakland AA will clash with the Hamburgers.

ASB Cards Are Good for Game

Students with ASB cards will be admitted without charge to the COP game tomorrow night in the Men's gym. Card holders should use the San Carlos street entrance. The game will get underway at 8:15 o'clock, with the preliminary starting at 6:30 o'clock.

Anyone who does not have a Student body card should go to the Fourth street entrance to buy a ticket.

Scholarship Curtailment Causes 4 to Check Out

By DICK DEGNON

Recent football subsidization shake-ups at Sparta have left next season's football situation in a serious state, as four members of the 1951 Spartan squad have checked out of the Varsity House and have headed home. Several more are slated to pack up before the week is over, and more may depart when the full subsidization program has been reduced, beginning Feb. 1.

Those who have already been bitten by the subsidization bug are Frosh Center Frank Kaplan; Tackle Boots Edmonson, a junior; stellar End Bob Hughes, also a junior; and Joe St. Denis, promising frosh lineman who came along well at the end of the season.

Fifty three members of the team are now receiving scholarships which give them tuition and room and board, and that is going to be sliced to around \$50 a month. An undisclosed fourteen will lose scholarships.

Students can be assured pretty well that State will not drop football. It is a state college and receives some help from state finances. But the big question on the minds of both Athletic Director Bill Hubbard and Coach Bob Bronzan, who are at the NCAA winter meeting in Cincinnati is

whether the Spartans can continue to go "big-time" or fall back to schedule opponents of lesser caliber.

SJS WRESTLES TARS TOMORROW

Matmen Meet Star-Packed S.D. Sailors

By FRAN ERROTA

San Diego Naval Training Center, possessing one of the top wrestling aggregations in the nation, invades the Men's gym for a 3 o'clock joust tomorrow with Coach Ted Mumby's Raiders. The Spartan junior varsity tangles with the Alameda Naval Air Station in a preliminary.

Heading the bordertown Tars' galaxy of Olympic grappling prospects is Dick Diegoan. He won the National Junior AAU title last year and was runner-up in the Senior AAU. Delgado also was a member of the AAU team which toured Japan. He won eight of nine matches, including victories over Jiro Boda, Japan's national 120-lb. titlist.

Mumby has picked Joe Ross to meet Delgado tomorrow. San Diego may enter Don Hagadorn in the 123 lb. class. The Sailors have been touring the Bay area and Coach John Shindle of the Tars may decide Delgado needs a rest following matches against San Francisco State, San Quentin and the Olympic club on successive nights.

Best match of the day may be the 130 lb. scrap between Tom Payne and Billy Almack, 1951 San Diego veteran. Mumby believes his entry has a good chance of upsetting Almack, the 1951 National Junior AAU champion.

Spartan Frank Waxham, three-time Pacific Coast Intercollegiate 157 lb. titlist, will move up one weight division, where he will face either Howard Wolfgram or George Love of the Tars. Love, a greatly improved grappler from Blackwell, Okla., may get the call, but Mumby believes the Tars will send Wolfgram against Waxham.

Other matches will find Ko Toyota locking arms with Frank Di Blasi or Monte Black, sailor 115 lb. ace; John Jackson vs.

BLUEJACKET RICHARD DELGADO, San Diego Navy's outstanding 123-lb. wrestler, works out with teammate Freddie Martinez (on the bottom) in a recent practice match. Delgado meets Spartan Joe Ross tomorrow when the powerful sailors invade Sparta.

Ward Nelson (SD), 137 lb.; John Melendez vs. Dick Fixsen or Les Huber (SD), 147 lb.; Ralph Morocco vs. Jim Linnell or John Bree (SD), 157 lb.; Jim Van Houten or Paul Reuter vs. Bill Ellis (SD), 177 lb.; Dale Maynard or Hal Brisfow vs. Gene Leatherman, (SD), 190 lb.; and Jean Snyder will meet sailor Ed Pettyjohn in the heavyweight division.

RINGSIDE

with
LLOYD BROWN

Boxing fans in the San Jose area will have an opportunity to see a giant novice tournament between Stanford, California, Santa Clara, St. Mary's, San Francisco state, University of San Francisco, Cal Aggies and San Jose State college, if these schools accept a plan recently proposed by Coach Dee Portal.

The tourney, which would be an enlarged edition of the popular novice tournaments held at SJS and other colleges each year, would be scheduled Feb. 28-29, probably somewhere in San Jose. It would be open only to beginners or to boxers whose experience is limited to intramural bouts.

This newest idea of the Spartan boxing professor should increase many a boy's incentive to box.

An optimistic note in the 178 lb. class sounded through the workout room of the Men's gym Wednesday afternoon to the tune of Don Huffhines' punching. Don is tall, dark and handsome biological science major from Salinas, who may, with a little experience, overtake Paul Reuter as top man in his division before too many weeks have passed.

Winner of the 1950 Novice tournament in the 165 lb. class, but unable to follow up with the sport until this year because he was commuting and working, Huffhines was pushing his big fists deep into the punching bag Wednesday.

Another ray of hope for the team's chances of completing a successful season is Ted Springston, winner of the Junior tournament last month. He has been working hard to fill the big shoes of Jack Scheberies, finalist in last year's NCAA tournament, and will undoubtedly let a few mittmen know it before the year is out.

SPARTAN DAILY 7

Portal Explains Point Rate System

By LLOYD BROWN

Coach Dee Portal, originator of a point system for rating boxers, has announced the numerical value which he has given his 1952 mittmen. The system, used only by SJS at the present time, would prevent mismatches and allow colleges to keep records of their boxers just as they do with their trackmen.

Here is how it works: A man is given 25 points if he has completed a quarter of elementary boxing or has engaged in an intercollegiate match. Three points are given for every bout a man wins, up to 50 points. Two points are credited for every win up to 60 points, and one from 60 to 80. A boxer picks up a half point for each victory from 80 to 90, and from there to 100, the highest possible grade, is one point for every three wins.

If a boxer defeats another possessing more points than himself, he automatically receives his opponent's rating.

The list, by weights and points, respectively, as released by Portal, follows: (112) Al Accurso, 61, and Yosh Uyeda, 40; (125) Don Camp, 80, Ernie Paramo, 65, James Long, 50, Roger Frazier, 40, and Gil Sanchez, 35; (132) Vic Harris, 70, Alvaro Campos, John Jackson, 63, William Knauer, 65, Doug Stewart, 75, Allen White, 70, and Robert Zamora, 40; (139) Chuck Adkins, 90, Don Hill, 60, and Ron Yanez, 70, Carl Anzalone, 61, Ed Heinrich, 61, Stan Marcell, 65, and Al Nethercutt, 40; (178) Paul Reuter, 61, Don Huffhines, 60, Norman Carter, 45, Tom Cuffe, 50, Ed Marcroft, 50, Gary Patrick, 55, and Clifford Ralph, 40; (Hwt) Ted Springston, 65, Vince Malone, 61, Jon Peterson, 35, and Joe St. Denis, 35.

The 147 lb. division: Jerry Stern, 70, Richard Bender, 55, George Coakley, 60, Joe De Soto, 65, Wall Hall, 45, Hubert Mitchell, 45, Jack Montgomery, 35, and Terry Ulrich, 55; (156) Bill Mendosa, 70, Jim Downs, 50, Joe Lenhart, 60, and Al Mathews, 55; (165) Darrell 45.

Math Teacher To Leave for Research Job

Earl F. Ryan, assistant professor of mathematics, will leave today to join the staff of the National Advisory committee for Aeronautics at Langley Field, Va., where he will do research work on high altitude meteorology.

Professor Ryan has taught here for three years. Previous to his joining the Mathematics department here, he was employed by Pan American Airways for meteorology work in several South American countries.

According to Dr. William H. Myers, professor of mathematics, Professor Ryan's place will be taken by Col. Lincoln F. Daniels, who previously was with the college Mathematics department, but is currently on leave for graduate work at the University of Maryland.

I.A. Staff Begins Pre-Registration

Daniel Lopez, industrial arts instructor, announced yesterday that the department will hold pre-registration for the spring quarter on Tuesday.

Students in the department who are student teaching or not taking industrial arts courses this quarter, may pre-register with

Announce Changes In Library Staff

Recent changes in responsibility, rather than personnel shifts, in the college's Library administration were announced yesterday by Miss Joyce Backus, head librarian.

Miss Dora Smith has vacated her post as part-time reference department head to accept leadership of the Department of Librarianship. For the balance of the year, said Miss Backus, Miss Emily Olson will serve as acting head of the reference department.

Miss Helen Bullock, who with Miss Smith had been instructing part-time in the Librarianship department, now will devote full time to her position as Education department leader, Miss Backus related.

Another change involves the catalog department, the head librarian stated. Miss Jeannette Vander Ploeg, formerly at the helm of the division, now is acquisitions librarian. Her post will be filled by Mrs. Mabel Carlson.

Miss Backus also announced that Mrs. Grace London has been elected secretary-treasurer of the Music Library association. Her appointment was made at an association meeting held Jan. 5, at the home of Miss Maude Coleman, arts librarian.

Mrs. Marilyn Doucette in the department office. Deadline is 4:30 p.m., Wednesday.
